Summertime  
Drivin' fast down an old back road  
Feelin' fine  
You got Skynyrd on the radio  
The moon is bright  
Me and my baby gonna break new ground  
On a blanket in a field of green  
Yeah, the crickets sing a song to me, it goes.

Chorus:  
Oh, oh, oh, oh, oh, oh  
How 'bout a night on the country  
Oh, oh, oh, oh, oh, oh  
It beats a night on the town  
Oh, oh, oh, oh, oh, oh  
Give me a night on the country  
Oh, oh, oh, oh, oh, oh  
'Cause those city lights bring me down.

Fireflies  
They burn better than candlelight  
Ol' Bob White down in the holler sings  
You and me  
Well, that's just enough company  
So baby listen to the nighttime breeze  
You can hear it singin' through the trees

Chorus:  
Oh, oh, oh, oh, oh, oh  
How 'bout a night on the country  
Oh, oh, oh, oh, oh, oh  
It beats a night on the town  
Oh, oh, oh, oh, oh, oh  
Give me a night on the country  
Oh, oh, oh, oh, oh, oh  
'Cause those city lights bring me down.

Baby, listen to the nighttime breeze  
You can hear it singin' through the trees.

Chorus:

Oh, oh, oh, oh, oh, oh  
How 'bout a night on the country  
Oh, oh, oh, oh, oh, oh  
It beats a night on the town  
Oh, oh, oh, oh, oh, oh  
Give me a night on the country  
Oh, oh, oh, oh, oh, oh, oh  
'Cause those city lights bring me down...
