(Chris Cagle/M. Jason Greene)

Hey, hey turn up that song, I think about you when it
comes on
And I get lifted off the ground
And when you're in my arms I feel the beat down in my
heart
It makes my world spin around
So come on baby, you know the moment's right
Yeah, take me by the hand
And we can rock away the night
I wanna dance 'til the break of day
To the music that we make
There's never been a sweeter sound
I wanna wake the neighbours
Make the headlines in the morning paper
No I don't wanna turn it down
'Cause there's nothing like the rhythm of love
So play it loud

You're like a melody
And girl it gets all over me
When you move the way you do
And ooh when I feel your touch
Then it gets to be too much
You know it puts me in a mood
Come on baby, don't be shy
Just open up your heart and hold on tight
I wanna dance 'til the break of day
To the music that we make
There's never been a sweeter sound
I wanna wake the neighbors
Make the headlines in the morning paper
No I;m not gunna turn it down
'Cause there's nothing like the rhythm of love
So play it loud

So come on baby, you know the moment's right
Yeah, take me by the hand
And we can rock away the night
I wanna dance 'til the break of day
To the music that we make

There's never been a sweeter sound
I wanna wake the neighbors
Make the headlines in the morning paper
There ain't no way to turn it down
'Cause there's nothing the rhythm of love
There's nothing like the rythm of love
So play it loud
