Its all the same
Only the names have changed
And everyday
It seems we're wasting away
Another place
Where the faces are so cold
I drive all night
Just to get back home

'cause im a cowboy
On a steel horse i ride
And im wanted
Dead or alive
Wanted
Dead or alive

Sometimes i sleep
Sometimes it's not for days
The people i meet
Always go their separate ways
Sometimes you tell the day
By the bottle that you drink
And times that your alone
All you do is think

'cause im a cowboy
On a steel horse i ride
And im wanted
Dead or alive
Wanted
Dead or alive

Whooaaa alright yeah

Well im a cowboy
On a steel horse i ride
And im wanted
Dead or alive

And i walk these streets
A loaded six string on my back
And i play for keeps

'cause i might not make it back
I been everywhere
Still im standing tall
I've seen a million faces
And i rocked em all

Yeah im a cowboy
On a steel horse i ride
And im wanted
Dead or alive
Im a cowboy
I got the night on my side
And im wanted
Dead or alive (repeated 4x)
