Day one, I stumbled through hello on 5th Ave  
Day two, we grabbed a bite to eat  
And talked all afternoon  
Caught a movie on day fourteen  
And day sixty-seven she said "I love you" to me

Oh, what a feelin'  
What a wonderful emotion  
Yeah, what a life  
Counting my blessings and knowin'  
Ooh, we had our ups and downs  
All along the way  
She had a chance to leave  
But chose to stay  
What a beautiful day  
What a beautiful day

Day one-sixteen I asked her what she was doin'  
For the rest of my life  
Day one eighty- nine, oh I almost lost that girl  
To my foolish pride  
She said "I do"  
On day four eighty-two  
And gave me a son  
On day seven sixty-one

Oh, what a feelin'  
What a wonderful emotion  
Yeah, what a life  
Counting my blessings and knowin'  
Ooh, we had our ups and downs  
All along the way  
She had a chance to leave  
But chose to stay  
What a beautiful day

Day eighteen thousand two hundred and fifty-three  
Well, honey that's fifty years  
Yeah, here's to you and me

Oh, what a feelin'  
What a wonderful emotion

Yeah, what a life  
Counting my blessings and knowin'  
Ooh, we had our ups and downs all along the way  
She had a chance to leave  
But chose to stay  
What a beautiful day  
What a beautiful day

Day one  
I thank God I said hello on 5th Ave
