You say you luv me, and what you'd do for me  
But you're uncertain, how will i react  
You look real nervous, so scared that i'll turn  
And never look back (whoa)

I didn't swear i would stay (Did i)  
I never thought you would doubt me that way  
But if you need an answer in all honesty

Chorus

You say you want me, each ady you love me deeper  
Well baby and me u  
You long to hold me, i make your life much sweeter  
that's how i feel for you too

(oohh etc)

I move real slowly, i guess it's just my away  
That doesn't mean i don't feel deep inside  
When you're not with me i want to be there just holding  
you tight  
(so tight)

It's not like i feel unsure (oh)  
My heart is focused like never before  
And if you need an answer in all honesty

Chorus

You say you want me, each ady you love me deeper  
Well baby and me u  
You long to hold me, i make your life much sweeter  
that's how i feel for you too

Chorus
