

Lollipop **"I Want You"**

Visit "[I Want You](#)" on MotoLyrics.com

I want you, you want me
Close your eyes, set me free
Cos'I belong to you
Baby come fly with me
You and me eternally
Let's spend the night together
Boy, you can feel the same
No more fighting no more pain
I'd give you everything
Just to hold you once again
I don't know what to do
I can't live without you
Cos'I believe in love
I just stop feeling blue
All need is you
And I'm love again
You are the one for me
This is the time we need
I want you for the rest of my life
I'm falling in love with you
Tell me what I can do
I want you till the end of time
Now what I do is for you
You are every part of me
I really can't describe
How I feel deep inside
I don't know what to do
I can't live without you
Cos'I believe in love
I just stop feeling blue
All need is you
And I'm love again
You are the one for me
This is the time we need
I want you for rest of my life
I'm falling in love with you
Tell me what I can do
I want you till the end of time
You are the one for me
This is the time we need
I want you for rest my life
I'm falling in love with you

Tell me what I can do
I want you till the and of time
I want you, you want me
Close your eyes, set me free
Cos' I belong to you
Baby come fly with me
You and me eternally
Let's spend the night together
You are the one for me
This is the time we need
I want you for rest my life
I'm falling in love with you
Tell me what I can do
I want you till the and of time
You are the one for me
This is the time we need
I want you for rest my life
I'm falling in love with you
Tell me what I can do
I want you till the and of time
I'm falling in love with you
Tell me what I can do
I want you till the and of tim
