I don't know if you're a demon
you'll love lots of women
until the party will carry on
you'd squeeze me just like a lemon
right now'n for all the day long
I just give you all, my baby

Keep on, keep on, turn me around
Keep on, keep on, turn me around
Keep on, keep on, turn me around
Keep on, keep on, turn me around
I feel your body

Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around
I feel your body
Keep on, keep on, turn me around
I feel your body, I fell
Keep on, keep on, turn me around
I feel your body

Yeah baby got something to tell?
but c'mon, hurry up, I don't go away
you got, got the stuff for me, I can see
but you gotta gi-ve up, give you up!
come on, come on, what you got to do?
If you know, know me, and you? I show you
My love for you, I thing about you, ah ah

I don't know if you'rea demon
you'll love lots of women
until the party will carry on
you'd squeeze me just like a lemon
right now'n for all the day long
I just give you all, my baby

Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around
I feel your body
Keep on, keep on, turn me around

I feel your body, I fell
Keep on, keep on, turn me around
I fell your body

I've seen through you
and so I was nervous too
I'll dance with you
you got, you got me baby
I've seen through you
and so I was nervous too
I'll dance with you
you got, you got me baby

I don't know if you're a demon
you'll love lots of women
until the party will carry on
you'd squeeze me just like a lemon
right now'n for all the day long
I just give you all, my baby

Keep on, keep on, turn me around
Keep on, keep on, turn me around
Keep on, keep on, turn me around
Keep on, keep on, turn me around
I feel your body

Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around
I feel your body
Keep on keep on turn me around
I feel your body, I fell
Keep on, keep on, turn me around
I feel your body

I've seen through you
and so I was nervous too
I'll dance with you
you got, you got me baby
I've seen through you
and so I was nervous too
I'll dance with you
you got, you got me baby

Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around
I feel your body
Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around

I feel your body

Keep on, keep on, turn me around
I feel your body, I feel
Keep on, keep on, turn me around
I feel your body
Keep on, keep on, turn me around
I feel your body, I fell
Keep on, keep on, turn me around
I feel your body

Keep on, keep on, turn me around
I feel your body, I feel
