I tried Him and I know Him  
Jesus is real  
I don't care what people may say  
I know what I feel  
When I found myself  
In the midst of the storm  
Jesus rescued me  
He kept me from all harm

(Chorus)  
And that's not all He's done for me  
He saved my soul and He set me free  
He took away the chains  
Shame no longer remains  
And for that reason  
Jesus is all right with me

When I decided to throw up my hands  
I heard about His amazing love  
I also learned He's the way, the truth and the light  
The One that opened these blinded eyes  
Ang gave me brand new sight

(Chorus)

He woke me up this morning  
Started me on my way  
I tell you I love Him  
And I'm gonna praise His name everyday  
And, Lord, I love You, that's why I lift my hands  
Jesus is all right with me

That's why I praise Him  
I tell You I love Him  
That's why I lift my hands  
Jesus is all right with me

He's all right (repeat)
