"Hold On"

My child go ahead and cry
I'll dry all your tears
I know it hurts so bad
Your desperate cries I hear
Hold on to the promises I mad you
I told you I would never leave you nor forsake you
Yes I know sometimes it seems like there
Is just too much to bear

(Chorus)
I will deliver you
I'll be right there
I'll come to rescue you
You know I care
I will be there
Just hold on

It's a daily struggle
My child I am aware
But I'll never put more on you
Than you're able to bear
Just hold on, be strong, remember the promises I've
made you
Just hold on, don't let go, I'll never leave you nor
forsake you
For I know sometimes it seems it's just much more
Than you can bear

(Chorus)
Do you think there is
Anything too hard for Me
I am the Lord
I do not change
I will do just what I said

There is nothing that I can't do
Just hold on, be strong
Just trust me and I will do
Just what I said

Hold on...
