(I can't help myself baby, I can't help myself baby,  
I can't help myself baby, I just can't help myself)

Friends say that I'm just a fool  
And that you'll treat me cruel  
But they don't know you the way I know you no  
Baby - they're the ones that lose  
'Cos they don't have you  
They're jealous of me  
It's so plain to see

I can't - I just can't help myself  
I don't want no one else but you  
Nobody makes me feel like you  
I can't - I just can't help myself  
'Cos baby when I'm in your arms  
you know I can't resist your charms

I can't help myself baby (x3)  
Just can't help myself

Baby - when I look in your eyes  
I can see for miles  
I get lost in your love  
I just can't get enough  
Baby - it comes as no surprise  
You go me hypnotized  
Yeah I'm under your spell  
Ev'rybody can tell that

I can't - I just can't help myself  
I don't want no one else but you  
Nobody makes me feel like you  
I can't - I just can't help myself  
'Cos baby when I'm in your arms  
you know I can't resist your charms

I can't help myself baby - uh oh  
I can't help myself baby - yeah, yeah  
I can't help myself baby

I can't - I just can't help myself  
I don't want no one else but you  
Nobody makes me feel like you  
I can't - I just can't help myself  
'Cos baby when I'm in your arms  
you know I can't resist your charms

(Repeat to fade)
