Listen to your heart

Yeah, yeah

Listen to your heart

Listen to your heart

You're confused - there's not a lot that I can do

If I were you - there's only one thing I would do

Even when your head and heart are

Saying the same thing

Listen to your heart

Listen and you will find the truth

Listen to your heart

Listen to your heart - woh oh

Listen to your heart

Yeah, yeah

Take your time - I'm sure you'll do what you think's right

Don't be blind - you don't need eyes to find what you'll
find

Even when your head and heart are

Saying the same thing

Listen to your heart

Listen and you will find the truth

Listen to your heart

Listen to your heart - woh oh

Listen to your heart

(Yeah, yeah, yeah, yeah)

Even when your head and heart are

Saying the same thing

Listen to your heart

Listen and you will find the truth

Listen to your heart

Listen to your heart - woh oh

Listen to your heart

Yeah, yeah

Listen to your heart
Listen and you will find the truth
Listen to your heart
Listen to your heart - woh oh
Listen to your heart
Yeah, yeah
