It happened the moment  
I gave You my heart, Lord  
Repented of my sins then You  
Gave me a new, a new man's life within  
You gave me this joy, Jesus  
This joy down inside  
You saved me, You washed me  
You filled me, You loved me  
Gave eternal life  
So right then, right then, I...

(Chorus)  
Right then I realized that  
I'm in love with Jesus Christ  
If they don't know then I'll them  
So they'll never wonder  
They'll never wonder

So tell me how long  
How long it's gonna take for You to return, Jesus  
'Cause I can't live my life  
Without You here by my side  
You gave me the joy inside

(Chorus)

Your love opened my eyes  
Right then I realized  
You're the love of my life  
You bring joy in midnight  
You're the highest of the highs  
Your love takes me to the sky  
I'm in love, I'm in love, yeah, yeah, yeah, yeah...

I'm in love with Jesus Christ  
I'm in love with Jesus Christ  
So don't ever wonder, don't wonder why
