I've knelt at your alter  
I've cut out my heart  
I've lived in your Ruins  
My pain is your art

My wrists are bound tight so as not to bleed  
My eyes were so dark so as not to see  
The memories of the past  
Are fading like a bad dream

I've never been so alone than with you,  
I've never been scared to dream until now,  
I can't close my eyes,  
I'll carry on, screaming

Your words are like ice,  
They melt in the heat  
The cold and the pain  
Which you seem to breed  
Have become what you are  
And left your ruins empty...
