(Chorus)

I know my Redeemer liveth  
And I know He lives inside of me  
I know my Redeemer liveth  
Through Him I am free  
And I've got the victory

When I stop and think things over  
If it had not been for Him  
Oh, I would still be bound  
I can remember when I couldn't lift my hands  
Or do my dance  
But now I'm free  
I've got the victory  
Because He lives in me

(Channel)

I know my Redeemer lives  
And He lives inside of me  
The grave couldn't keep Him in  
Hell had no victory  
He hung and died on a cross  
For you and for me  
But on the third day He rose  
And that's how I know my Redeemer lives

Now there's more to the story  
But I can't tell  
All I can say is  
I was on my way to hell  
Through His precious blood I'm saved  
Through His love He forgave me  
And took away all my sins
