My child go ahead and cry  
I'll dry all your tears  
I know it hurts so bad  
Your desperate cries I hear  
Hold on to the promises I mad you  
I told you I would never leave you nor forsake you  
Yes I know sometimes it seems like there  
Is just too much to bear

(Chorus)  
I will deliver you  
I'll be right there  
I'll come to rescue you  
You know I care  
I will be there  
Just hold on

It's a daily struggle  
My child I am aware  
But I'll never put more on you  
Than you're able to bear  
Just hold on, be strong, remember the promises I've  
made you  
Just hold on, don't let go, I'll never leave you nor  
forsake you  
For I know sometimes it seems it's just much more  
Than you can bear

(Chorus)

Do you think there is  
Anything too hard for Me  
I am the Lord  
I do not change  
I will do just what I said

There is nothing that I can't do  
Just hold on, be strong  
Just trust me and I will do  
Just what I said

Hold on...
