(Chorus)

I delight in You
I rejoice for evermore
For all you've done
And for blessings on the way

When I look back at my life
And all that I've been through
When they ask what I held on to
I tell them all I had was You
I don't know what You have in store
Still I'm looking forward to
To see awhat You have in mind
And I'll always thank You

For all You've done Lord
And all You're doing
For things You've done
And for blessings on the way

(Chorus)

For all You've done
And for blessings on the way
