What on earth went wrong  
Just tell me what went wrong  
Can't understand just how you feel

I know the end is near  
But I no longer fear  
That what we had was so unreal

Why can't you feel it?  
You had to know  
How could you steal it?  
Let me break you

You made it all so mad  
Love or control gone bad  
It seems to me you don't play fair  
I've come to know your kind  
Through innocence then blind  
Believed in something that was never there...
