I read a story 'bout a woman who'd fallen in sin
He came along and gave her life again
And just like that woman I have sometimes gone astray
But through His words I see how much He cares for me

He left me a love letter
To let me know that I'm the one He's thinking of
This book of love letters
And He's exactly what my heart is dreaming of
His love letters
I get to thinkin' and my heart is satisfied
I love His love letters
And when I read, it helps me make it through the night

Even when my heart's forsaken and I feel all alone
I find His words calm my restless soul
Realizing that my trials come to make me strong
He keeps me safe from harm I'm wrapped up in His
arms

He left me a love letter
To let me know that I'm the one He's thinking of
This book of love letters
And He's exactly what my heart is dreaming of
His love letters
I get to thinkin' and my heart is satisfied
I love His love letters
And when I read, it helps me make it through the night

A letter from the heart I was His from the start
He held me near wiped away my tears
I love, I love His letters writing me to say
I love you anyway He wrote

He left me a love letter
To let me know that I'm the one He's thinking of
This book of love letters
And He's exactly what my heart is dreaming of
His love letters
I get to thinkin' and my heart is satisfied
I love His love letters
And when I read, it helps me make it through the night

Sweetest words I've ever known
Sweeter than the honeycomb, honeycomb
This book of love letters are mine
Sweetest word I've ever known
Sweeter than the honeycomb, honeycomb
I love His love letters oh, and when I read it
Helps me make it through the night
