I die when I hear your voice,  
To touch you Divine.  
Be my possession,  
My sweet obsession wine.

I'm dealing in demons love,  
It's just a matter of time.  
I'll wear you down,  
One day you will be mine.

Only I can make your life complete,  
Just give yourself to me.  
Only I can claim your destiny.

So give me your heart my love,  
And give me your soul.  
I'd give you mine  
But I sold it long ago.

Only I can see inside of you  
Just give yourself to me.  
And I won't stop until you see the truth.

I love you to death.  
I love you completely,  
A love that is purely vain.  
And I never meant to hurt you so badly,  
I thought you'd enjoy the pain.

I know that you feel it love,  
I can tell from your tears.  
So don't deny me,  
Giving to your fears.

I love you to death.  
I love you completely,  
A love that is purely vain.  
And I never meant to hurt you so badly,  
I thought you'd enjoy the pain.  
I love you to death.
