Heaven and earth adore You  
We live our lives for You  
You're the Author and Finisher of everything  
You are, You are  
Friend of mine You're holy

### Pre Chorus:

I know I serve a mighty God  
I know I serve a risen King  
You are the ruler of everything  
And the whole world will know

When I seek Your face I see glory, glory, glory  
When I call on Your name You release mercy, mercy,  
mercy  
Only You Lord

You have reached down for me  
Gave me hope and destiny  
I wonder why You love me  
I am so undeserving  
You still love me

Only You Lord are strong  
Only You Lord are mighty  
You're mighty  
You're mighty

Only You Lord
