

London After Midnight

"Pure"

I, I used to be so sure
I, I used to be so pure
I cannot explain
I get lost in the pain
In the meaning there's a mystery
That's hidden and locked
That's the paradox
You'll never know until it's too late

I, I've seen it all before
I, I wanted so much more
The things I was sure
Were perfect and pure
Were nothing more than fantasy
So hidden inside
Something so unkind
You'll never know until it's too late

I'm going to the open sea and I'm going t say goodbye to me
