We must have been stone crazy  
When we thought we were just friends  
'Cause I miss you, baby  
And I've got those feelings again  
I guess I'm all confused about you

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow

Suddenly we're strangers  
I watch you walking away  
She was my one temptation  
Oh, I did not want her to stay  
Deep down, I'm still confused about you

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow

What good is being here without you?

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow
