She's got the moves to paralyze
She makes the lame to walk
The way she cruise can tantalize
She makes the dumb to talk

I had to pick myself up
I picked myself up off the floor
When I saw her, yeah
Knocking on my front door

Ohh yeah, she said she loves me
She loves me
Ohh yeah, she said she loves me
She loves me

All of my friends said stay away
Said she's too good for me
She's a heart breaker everywhere she plays
Long way out of my league

I had to pick myself up
I picked myself up off the floor
When I saw her, when I saw her, yeah
Knocking on my front door

Ohh yeah, she said she loves me
She loves me
Ohh yeah, she said she loves me
She loves me

Ohh yeah, she said she loves me
She said she loves me
She loves me, she loves me
She loves me, she loves me

I had to pick myself up off the floor
When I saw her walking up to my door

The way she looks can hypnotize
She makes the blind to see
She knows the way to mesmerize
Pure sensuality

I had to pick myself up
I picked myself up off the floor
When I saw her, yeah
Knocking on my front door

Ohh yeah, she said she loves me
She loves me
Ohh yeah, she said she loves me
She loves me

Ohh yeah, she said she loves me
She said she loves me
Ohh yeah, she said she loves me
She loves me

Ohh yeah, she said she loves me
She said she loves me
She loves me
She said she loves me
She loves me

She said she loves me
