Refrain:

Cryin' cryin' ho ha

Cryin' cryin' ho ha

Refrain

Every night I see the little girl

She's walking down the aisle

She's wearing shiny pearls

I hear the people praying

Bring her back to me

I hear the music playing

And it's haunting me

Oh yes I know know yes I know

Crying at the

Chapel of love

Another day goes by without you

I love you

Chapel of love

I'm crying in the night

I'm on the run again

Chapel of love

And there ain't nothing else I can do about it

I'm left without hope

Down at the chapel of love

Refrain

Broken dreams, a tale of old lang syne

The bells are ringing

Maybe you will still be mine

When I awake tomorrow in a bed for two

I'm sure a silly fool

To keep on missing you
