Watching all the women shaking, slimmin'
Walking down the road again
Looking at the lovers under covers
Come in and let's be friends

Watching all the schoolgirls
Shaking the new girl
Gone along and havin' sex
Watching all the women shaking, slimmin'
Come in an' cash the cheques

The suburban girls
And they're making noise
And they're making eyes
At suburban boys

Watching all the lovers under covers
Watching all the roads unbend
Listening to Lulu, I'm a Zulu
Come in and let's pretend

Watching all the women shaking, slimmin'
Walking down the road again
Scheme like a schoolboy watching you boy
Come in and let's pretend

The suburban girls
And they're making noise
And they're making eyes
At suburban boys
At suburban boys
At suburban boys

Suburban girls
And they're making noise
And they're making eyes
At suburban boys

The suburban girls
And they're making noise
And they're making eyes
At suburban boys

At suburban boys
At suburban boys
At suburban boys
