High on diesel and gasoline, psycho for drum machine
shaking their bits to the hits,
Drag acts, drug acts, suicides, in your dad's suite you
hide
staining his name again,
Cracked up, stacked up, 22, psycho for sex and glue
lost it to Bostik, yeah.
Shaved heads, rave heads, on the pill, got too much
time too kill
get into bands and gangs.

Oh, here they come, the beautiful ones, the beautiful
ones La la la la la
here they come, the beautiful ones, the beautiful ones
La la la la la

Loved up, Doved up, hung around, stoned in a lonely
town
shaking their meat to the beat,
High on diesel and gasoline, psycho for drum machine
shaking their bits to the hits,

Oh, here they come, the beautiful ones, the beautiful
ones. La la la la la
Here they come, the beautiful ones, the beautiful ones
La la la la la

You don't think about it,
You don't do without it,
because you're beautiful,
And if your baby's going crazy
that's how you made me,
la, la, la, la....

And if your baby's going crazy
that's how you made me,

And if your baby's going crazy
that's how you made me,
la, la, la, la....

la, la, la, la la, la, la, la la, la, la, la la, la, la, la la la la la
(x many)
