"Everything Will Flow"

Watch the early morning sun
Drip like blood from the day
See the crazy people run
So many games to play
See the blue suburban dream
Under the jet plane sky
Sleep away and dream a dream
Life is just a lulla ba bye

Ah ha hahaha
And everything will flow
Ah ha hahaha
You know everything will flow
Ah ha ha

Watch the day begin again
Whispering into the night
See the crazy people play
Hurrying under the light
A million cars, a million trains
Under the jet plane sky
Nothing lost and nothing gained
Life is just a lulla ba bye

Ah ha hahaha
And everything will flow
Ah ha hahaha
I said everything will flow
Ah ha hahaha
You know everything will flow
Ah ha ha

Ah ha hahaha
And everything will flow
Ah ha hahaha
You know everything will flow

The neon lights in the night tonight will say
"Everything will flow"
The stars that shine in the open sky will say
"Everything will flow"
The lovers kissed with an openness will say

"Everything will flow"
The cars parked in the hypermarket know
Everything will flow
