Today she's been working, she's been talking,
she's been smoking, its gonna be alright
Cos tonight we'll go dancing, we'll go laughing, we'll
get car sick
and it'll be okay like everyone says, it'll be alright and
ever so nice
We're going out tonight, out and about tonight

Oh whatever makes her happy on a Saturday night
Oh whatever makes her happy, whatever makes it
alright

Today she's been sat there, sat there in a black chair,
office furniture, but it'll be alright
Cos tonight we'll go drinking, we'll do silly things
and never let the winter in
And it'll be okay like everyone says, it'll be alright and
ever so nice
We're going out tonight, out and about tonight.

Oh whatever makes her happy on a Saturday night
Oh whatever makes her happy, whatever makes it
alright

...we'll go peepshows and freak shows,
We'll go to discos, casinos,
We'll go where people go and let go...
...oh whatever makes her happy...
