"So Young"

Because we're young, because we're gone,
We'll take the tide's electric mind, oh yeah?, oh yeah,

We're so young and so gone, let's chase the dragon,
oh,

Because we're young, because we're gone,
we'll scare the skies with tigers eyes, oh yeah? oh
yeah,

We're so young and so gone, let's chase the dragon,
oh
Let's chase the dragon...

...from our home high in the city where the skyline
stained the snow, I fell for a servant who kept me on
the boil

We're so young and so gone, let's chase the dragon
from our home!
