Well, I never should have turned my head
To see some other lovely thing
Walking pretty down the street
'Cause just about that time my girl she realized
Caught my eyes and busted me

Now I'm back out in this bed
I made face down in the dirt
Beggin' to get my baby back
You think I would have learned

It's just another day in the doghouse
I better change my ways and my wandering eyes
It's just another day in the doghouse
Thinkin' this is probably where this dog is gonna die

I stumbled in at 3 a.m.
An' after poker night with my friends
She was waiting up and angry
I said, "Honey, I lost track of time"
Not to mention every dime, I had on me

Now I'm back out in this yard
Sad and all alone
If you find forgiveness in your heart
Just throw this boy a bone

It's just another day in the doghouse
I better change my ways and my wandering eyes
It's just another day in the doghouse
Thinkin' this is probably where this dog is gonna die

Hey, yeah, come on now

Now I'm back out in this bed
I made face down in the dirt
Beggin' to get my baby back
You think I would have learned

It's just another day in the doghouse
I better change my ways and my wandering eyes
It's just another day in the doghouse

Thinkin' this is probably where this dog is gonna die

Just another day, another day in the doghouse, oh yeah

Just another day in the doghouse

It's just another day, another day in the doghouse, oh
yeah

Just another day, oh yeah
