Ooh, when I see her in my T-shirt
Brushin' her teeth, dancin' to the radio
Ooh, her coffee and her kisses
The way she looks at me, I hate to see her leave
But I sure love watchin' her go

Every little thing she does
Every little thing she does
I keep fallin' in love with every single
Simple, ordinary little thing she does

Ooh, paintin' on her toenails
Watchin' TV, got her mama on the telephone
Ooh, in a corner at a party
She puts down her drink, gives me a little wink
And says wait till I get you home

Ooh, every little thing she does
I said, every little thing she does
I keep fallin' in love with every single
Simple, ordinary little thing she does

Ooh, listenin' to her breathe
Oh, watchin' her when she sleeps
The bubbles in her bath, the funny little laugh
Oh yeah, oh yeah, oh yeah, oh yeah

Every little thing she does
I said, every little thing she does
I keep fallin' in love with every little thing

Every little thing she does
I said, every little thing she does
I keep fallin' in love with every single
Simple, ordinary little thing

Every incidental
Sentimental little thing
I keep fallin' in love
With every little thing she does

Ooh, every little thing she does

Every little thing she does
Every little thing she does
Alright, alright, yeah
