I can't quote the Bible  
I skipped Sunday school  
And I can't count the times I fell, and broke the golden  
rule  
So I don't know if he listens  
Sometimes I wonder if he cares  
But maybe I'm just wishin'  
'Cause I can't even prove he's there

(chorus)  
But I pray  
He'll watch over my children  
I Pray  
Just to be a better man  
To find the strength to rise above  
To be there for the ones I love  
To forgive and be forgiven some sweet day  
I pray

I confess that I don't bow my head as often as I should  
Mostly just when times are bad, rarely when they're  
good  
And I don't hold with too much preachin'

But I was raised up to believe  
That a man can't ever stand as tall  
As when he gets down on his knees

(2nd Chorus)  
So I pray  
For a world that's gone half crazy  
I pray  
For every woman, child and man  
To find the strength to rise above  
To teach each other how to love  
To forgive and be forgiven some sweet day  
I pray  
I pray
