everytime our eyes meet
this feeling inside me
is almost more than i can take
baby when you touch me
i can feel how much you love
and it just blows me away
ive never been this close to anyone or anything
i can hear your thoughts i can see your dreams

i dont know how you do what you do
im so in love with you
it just keeps gettin better
i wanna spend the rest of my life with you by my side
forever and ever
every lil thing that you do baby im amazed by you

the smell of your skin
the taste of your kiss
the way you whisper in the dark
your hair all around me
baby you surround me
and touch every place in my heart
oh it feels like the first time everytime
i wanna spend the whole nite in your eyes

i dont know how you do what you do
im so in love with you
it just keeps gettin better
i wanna spend the rest of my life
with you by my side
forever and ever
every lil thing that you do baby im amazed by you

every lil thing that you do
im so in love with you it just keeps gettin better
i wanna spend the rest of my life
with you by my side
forever and ever

every lil thang that you do
ohh every lil thing that you baby im amazed by... you
