Have you ever had one of those days when you wake
up
Feeling good, so good that you can take the whole
world on?
Or one of those days when you just know no matter
what
Nothin' in the world could go wrong

Well, that's the way I feel this mornin'
But, baby, I just gotta say
I always have one of those days

After one of those nights, just like last night
Oh, my, what a beautiful thing, just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love

It was one of those nights that leads to one of those
days
That leads right to one of those nights

Have you ever had one of those smiles
You just can't wipe away the sweet anticipation's too
strong?
One of those smiles you wear all day
'Cause you can taste the kiss of passion waiting back
home

Well, that's the one I'm wearing right now
But, baby, you always leave one of those smiles on me

After one of those nights, just like last night
Oh, my, what a beautiful thing, just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love

It was one of those nights that leads to one of those
days
That leads right to one of those nights

Oh, one of those nights, just like last night
Oh, my, what a beautiful thing, just you and me

Those tangled sheets were wrapped around us
Baby, thanks to your love

It was one of those nights, just like last night
Oh, my, what a beautiful thing, just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love

It was one of those nights that leads to one of those
days
That leads right to one of those nights
That leads to one of those days
That leads right to one of those nights

One of those nights

Oh, one of those nights, just like last night
Oh, my what a beautiful thing, just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love

It was one of those nights, just like last night
Oh, my what a beautiful thing, just you and me
Those tangled sheets were wrapped around us
Baby, thanks to your love it was one of those nights
