Sittin' wide awake in a motel dorm  
Neon buzzin' in my lonely heart  
Wonderin' what you do and what you wearin' tonight  
I wanna be where you are

Oh, I can feel the rhythm of the wheels goin' round  
I play our song and I turn it up loud  
Every turn, every town, every city, every minute  
I'm countin' down

Five long days to you I sped  
Three thousand miles just to get to the one  
Oh oh, you know you're the one  
Oh oh  
It's just five more miles, four streets ahead  
Three stoplights till I, I get to the one  
Oh oh, you know you're the one  
Oh oh

Halfway home, don't know if I can last  
Had another cup of coffee, put your picture on the  
dash  
Burnin' both ends and I can't go too fast

Oh, I can feel the rhythm of the wheels goin' round  
I play our song and I turn it up loud  
Every turn, every town, every city, every minute  
I'm countin'

Five long days to you I sped  
Three thousand miles just to get to the one  
Oh oh, you know you're the one  
Oh oh  
It's just five more miles, four streets ahead  
Three stoplights till I, I get to the one  
Oh oh, you know you're the one  
Oh oh

The countdown to you, girl  
The countdown to you, oh

Five long days to you I sped  
Three thousand miles just to get to the one  
Oh oh, you know you're the one  
Oh oh  
It's just five more miles, four streets ahead  
Three stoplights till I, I get to the one  
Oh oh, you know you're the one  
Oh oh

The countdown to you  
This is the countdown to you
