Ridin' restless under broken sky, weary traveler,
somethin' missin' inside
Always lookin' for a reason to turn around
Desperate for a little peace of mind, just a little piece of
what I left behind
Well, I found it now, you're like coming home

You're like a Sunday mornin', pleasin' my eyes
You're a midsummer's dream under a star-soaked sky
That peaceful easy feelin' at the end of a long, long
road
You're like coming home, you're like coming home,
alright

Go head an' let your hair fall down this wanderlust it's
gone now
I'm here in your arms, I'm safe from the road again
These are the days that can't be erased baby, there
isn't a better place
You're like heaven, you're like coming home

You're like a Sunday mornin', pleasin' my eyes
You're a midsummer's dream under a star-soaked sky
That peaceful easy feelin' at the end of a long, long
road
You're like coming home

You're that innocence, that serenity
That long-lost part of me

You're like a Sunday mornin', pleasin' my eyes
A midsummer's dream under a star-soaked sky
That peaceful easy feelin' at the end of a long, long
road

You're like a Sunday mornin', pleasin' my eyes
You're a midsummer's dream under a star-soaked sky
That peaceful easy feelin' at the end of a long, long
road
You're like coming home, yeah

You're like coming home

Baby, like coming home
You're like coming home
Go head an' let your hair fall down

You're like coming home
Baby, like coming home, oh yeah
You're like coming, you're like coming home
You're like coming, you're like coming home
