Not like the brazen giant of greek fame
with conquering limbs astride from land to land
here at our sea-washed sunset gates shall stand
a mighty woman with a torch

Bridge: Whose flame is the imprisoned lightning
and her name Mother of Exiles

Refrain: You can live if you want to be free
in the land of the thousand dreams
You can breath really free, if you only mind to see
that the only one who can free you is the Lord

From her beacon hand glows world-wide welcome
her mild eyes command the air-bridged harbour (that
twin cities frame)

" Keep ancient lands your storied pomp ", cries she
with silent lips, " give me your tired, your poor "

Bridge: Your huddled masses yearning to be free
the wretched refuse of your teeming shore

Refrain

Send these, the homeless, tempest-tost to me
I lift my lamp beside the golden door, please

Refrain: You can live if you want to be free
in the land of the thousand dreams
for this we will fight, we will shout and we will cry
'cause this is the only dream of the world
You can breath really free, if you only mind to see
that the only one who can free you is the Lord
