Well I drove down south to heaven
If u know what I mean
If I had to do it over
I wouldnt change a thing

Oh lord take me down to mexico
Rosarito
Baha california

Goin to school and workin on the weekends
Ive finally saved enough to buy a car
Got some bros out there
Were going surfing
But u know that ill be chillin at the bar

Two shots of tequila
My skin is turnin read
Everything is just beautiful
It popped into my head

Life is good
Life is fun
But it isnt that way for everyone

Asked that kid for chiclets
10 Sombreros on his head
Selling blankets, knives, and jewelry
To keep a roof above his bed, lord

Take me down to Mexico, Rosarito, Baja California
Ohhhh lord, take me down to Mexico, Rosarito, Baja
California

Things you said last night down by the fire side
Didnt seem to mean much the next day
A bottle rocket blew up
A bunch of people threw up
I looked at my man Eeno and this is what he said

They say life is good and they say life is fun
But it sure ain't that way for everyone
Well I crossed the border just to change my scene

Down here at the border where the money's like green
Tequila, beer, exstasy, and mescaline
One thing remains true, the water's still blue
You know what to do
Get some

Well I drove up north to heaven
And I've learn from what I've seen
If I had to do it over
Then I wouldn't change a thing
