haahhh...

hahhhh...

hahhhh...

Everyday I love her just a little bit more

a little bit more, a little bit more

Everyday I love her just a little bit more

and she loves me the same

cuz my love its her love

and her love its my love

yes she gives me loving at the right time

daytime, nighttime

yes she gives me loving at the right time

everyday I love her just a little bit more

and she loves me the same

ohhh love

ohhhhh love

so baby if you wanna get low

baby if you wanna get high

it makes no sense at all

I saw red

I saw red, I saw red

and its one more sacred lover that I shot dead

haahhh...

hahhhh...

everyday she tell me that she wants me some more

she wants me some more, she wants me some more

everyday she tell me that she wants me some more

and I want her the same

ohhh love

ohhhhh love

everyday she tell me that she wants me some more

and I want her the same

so baby if you wanna get low

baby if you wanna get high

it makes no sense at all

I saw red

I saw red, I saw red

and its one more sacred lover that I shot dead

girls don't go crazy

oh girls don't go crazy

oh girls don't go crazy

when a man use you

woman hold your man tight

if it make you feel right

its your own life
