Haahhh...

hahhhh...

hahhhh...

Everyday I love her just a little bit more  
Everyday I love her just a little bit more  
a little bit more, a little bit more  
and she loves me the same

yes she gives me loving at the right time  
'cause my love it's her love  
and her love it's my love  
daytime, nighttime  
yes she gives me loving at the right time  
everyday I love her just a little bit more  
and she loves me the same

ohhh love

ohhhhh love  
so baby if you wanna get low  
baby if you wanna get high  
it makes no sense at all  
I saw red  
I saw red, I saw red

haahhh...  
and it's one more sacred lover that I shot dead  
hahhhh...

everyday she tell me that she wants me some more  
she wants me some more, she wants me some more  
everyday she tell me that she wants me some more

and I want her the same  
ohhh love  
ohhhhh love  
and I want her the same

everyday she tell me that she wants me some more

so baby if you wanna get low

baby if you wanna get high  
it makes no sense at all  
and it's one more sacred lover that I shot dead  
I saw red  
I saw red, I saw red

girls don't go crazy  
oh girls don't go crazy  
woman hold your man tight  
oh girls don't go crazy  
when a man use you  
if it make you feel right  
it's your own life
