Oh oh oh oh
Oh oh oh oh

I've walked through the valley
Been tossed in the storm, yeah
And all of the demons
Were comin for more, yeah yeah
Only way I made it out
When I was alone
You came to my rescue
So I can make it home

You got me fallin
More in love with you
You got me wrapped up
I can barely even move

oh yeah whoa

Even the good days
Can fade into black
Yeah I can only change
It happens too fast, too fast, too fast
I never even got a chance
If I was alone, if I was alone
If there was no rescue
I could never even make it home

You got me fallin
More in love with you
You got me wrapped up
I can barely even move

You got me fallin
More in love with you
You got me wrapped up
I can barely even move

When no one could find me
When everyone else had already moved on
You came to reach out
You never gave up on me

Even when hope was gone, yeah

Oh oh oh oh

Oh oh oh oh

You got me fallin

More in love with you

You got me wrapped up

I can barely even move

Oh yeah

I'm falling in love with you

Oh I am falling, falling, falling, in love with you

With you

I'm falling, falling in love

Uou came to my rescue

So I could make it home
