Breathing seems harder now
Life will all but last
And all at once the pleasure is gone
It's so predictable

But now I see
I will forever sing

Sing Hallelujah
My hearts ready
Ready for you
I am captured in your majesty
Beautiful Saviour
I surrender
You are my King
I am captured in your majesty
Sing Hallelujah

I'm lost inside your words
Enough to change my soul
And all at once my pride fades
It's so unpredictable

You're my joy
Forever I'll be where you are

Sing Hallelujah
My hearts ready
Ready for you
I am captured in your majesty
Beautiful Saviour
I surrender
You are my King

I am captured in your majesty
Sing Hallelujah
Sing Hallelujah
Sing Hallelujah
Oh yah

I'm living in the wonder of all your ways
My heart will worship for all my days

Only you (Aw yah) Only you

Cause you're my joy
Forever I'll be where you are

Sing Hallelujah
My hearts ready
Ready for you
I am captured in your majesty
Beautiful Saviour
I surrender
You are my King
I am captured in your majesty
Only your majesty

(I'll sing Hallelujah)
I'm living in the wonder of all your ways
My heart will worship for all my days
For only you (only you)
Only you (only you)
