Walk me out in the morning dew my babe
Walk me out in the morning dew babe
I wouldn't walk you out in the morning dew my honey
I wouldn't walk you out in the morning dew at all

I thought I heard a young boy crying for his mamma
I thought I heard a young boy crying for his mamma
today
You wouldn't hear no young boy crying for his mamma
You wouldn't hear no young boy crying for his mamma
at all
Walk me out in the morning dew my babe
I walk me out in the morning dew babe
I wouldn't walk you out in the morning dew my babe
I wouldn't walk you out in the morning dew at all
No, no, no, no, no

(Help me, help me)

Now there ain't no more morning dew my honey
Now there ain't no more morning dew at all
I wouldn't walk you out in the morning dew my honey
I wouldn't walk you out in the morning dew at all
Walk me out in the morning dew
Walk me out in the morning dew
