You never close your eyes  
Anymore when I kiss your lips  
There's no tenderness  
Like before in your fingertips

It makes me just  
Feel like crying (oh, baby)  
Cause, baby, something  
Beautiful's dying

(CHORUS)  
You've lost that loving feeling  
Oh, that loving feeling  
You've lost that loving feeling  
Now it's gone, gone, gone  
Oh, oh, oh

Now there's no welcome look  
In your eyes when I reach by you  
Now you've started to criticize  
Every little thing I do

You're trying hard  
Not to show it (oh, baby)  
But, baby, baby, I know it

(CHORUS)

Baby, baby, I get right  
Down on my knees for you  
If you would only love me  
Like you used to do, yeah

We had a love, a love  
A love you don't find everyday  
So darling, darling, darling  
Don't throw our love away  
No, no, no, no

Well, I said  
Baby (baby) baby (baby)

Well, baby (baby) oh, baby

(Bring it on, baby)  
I'll bring it on back, child  
(Just bring it on back to me)  
I'll bring it on back now  
(Bring it on back to me)  
I said I'll bring it on back  
(Well, bring it on, bring it on)  
I'll bring it on back now (yeah)

Bring back that loving feeling  
Oh, that loving feeling  
Bring back that loving feeling  
Now it's gone, gone, gone  
And I can't go on, oh, oh, oh

Oh, oh, oh, oh  
Bring back that loving feeling  
Oh, that loving feeling  
Bring back that loving feeling  
Now it's gone, gone, gone  
And I can't go on  
And I can't go on  
And I can't go on
