These thoughts  
Keep me awake at night  
Keep me dreaming all day  
You were never mine  
It's been all right  
You left me speechless when you said  
You were leaving  
All the things I never said I can never say  
I suppose it's fair of me to sing to you  
One more self effacing song  
About my pain  
With the melody to break your heart  
Just because you broke mine a thousand times  
These thoughts  
Keep me awake at night  
Keep me dreaming all day  
You were never mine  
It's been all right  
All the time I was awake trying to figure this out  
Now I think about you Now and then  
I suppose it's fair of me to sing to you  
One more self effacing song about my pain  
With the melody to break your heart  
Just because you broke mine a thousand times  
I care and  
Your not listening anyway  
I care and  
Your not listening anyway  
I care and  
Your not listening anyway  
I care and  
Your not listening anyway  
I care and  
Your not listening anyway  
(You don't care)  
I care and  
Your not listening anyway  
(I don't care)  
I care and  
Your not listening anyway  
(You don't care)  
I care and

Your not listening anyway  
(I don't care)
