"Do You Remember"

Think of all the stars from the 50's scene
Jukebox heroes and all the screams
Buddy Holly, Peggy Sue
Ricky Nelson got Mary Lou
Do you remember?
Do you remember?
Dewey Dennon fell when he sang "Bird Dog"
"Bonna Sera Senorita", "Rock Around the Clock"
Little Richard and Bobby Rydell
Elvis Presley, "Heartbreak Hotel"
Do you remember?
Do you remember?
Do you remember?
Lucille, you don't do your daddy's will
Lucille, you don't do your daddy's will
There ain't nothing to you but I love you still

Johnny is a joker (He's a bird), a very funny joker (He's
a bird)
But when he jokes my honey (He's a dog), his joking
ain't so funny (What a dog)
Johnny is a joker as he tried to steal my baby (He's a
bird dog)

I'm-a walking in the rain
Tears are fallin' and then I feel the pain
Wishing you were here by me to end this misery
And I wonder, wo, wo, wo, wo, wonder why, why, why,
why, why, why she ran away?
And I wonder where she will stay, my little runaway?

"I'm like a rubber ball", sang Bobby Vee
"Whole lotta shakin'", played Jerry Lee
"I'm so young and you're so old", another record that
went gold
Do you remember?
Do you remember?
Do you remember?

He likes bread and butter
He likes toast and jam
It's what his baby feeds him

He's her lovin' man
Well, I like bread and butter
I like toast and jam
That's what my baby feeds me
And I'm her lovin' man

Well, that's alright mamma
That's alright for you
That's alright mamma, not just anyway you do
Man, that's alright, that's alright
That's alright my mama, anyway you do

Saturday night, I just got paid
A fool about the money, don't try to save
My heart says, "Go, go, have a time"
Saturday night, baby I feel fine
I'm gonna rock it up
I'm gonna rip it up
I'm gonna shake it up
I'm gonna ball it up
I'm gonna rock it up and ball tonight

Jenny, Jenny, Jenny, won't you come along with me?
(Jenny, Jenny Jenny, Jenny)
Jenny, Jenny, Jenny, won't you come along with me?
(Jenny, Jenny Jenny, Jenny)
You know that I love you
We could live so happily (Jenny, Jenny Jenny, Jenny)
