Say 'are you on'  
if it makes you feel better  
you're cut off at the wrists  
to explain your aching

this headaltic water  
she sounds the bell  
if the stars didnt impress her  
give up the sell  
you, youve been waiting for  
a new sensation to come  
youve been waiting

say what she  
put on your face  
its your one for parties  
i never imagined  
you would wear it for parties

its been overdone  
you talk in soddy  
youve got a problem with this then  
sweet sacking a cossy  
cos ive been waiting for a new sensation to come  
i can wait this to kick in  
say what she does say

complication  
shut off from it all  
you

hedaltic water  
she sounds the bell  
if the stars dont impress her  
give her the sell  
yeah

say what she does say  
say nothing complicated  
shut off from it all  
shut off you  
say nothing complicated

shut off from it all  
shut off  
you
