Baby
If sometimes
I could ha turned you on
Honey
This time
With your big strong hands
Baby
Somehow
If I could chop them off
Honey
I'm stuck
But you could clear me out
But I needed
A summertime
Saw you falling
Saw you down
Sally dances but she don't know no
Sally prances but she don't grow no
(she can't show me)
If
If somehow
I could make you feel clean
In my arms If I could stop you shaking
Baby
Till then
I'll keep it in my hand

Cause you needed a summertime
Saw you falling Saw you down
Sally dances but she don't know no
(with your big strong hands)
Sally prances but she don't grow no
(you made me understand)
Sally dances but she don't know no
She don't blow no no
Baby
One time
If I could find the point
Honey I'm too fat
To get up off my chair
And I'm jealous Want to feel her ****
Give me presents And glisten

Sally dances but she don't know no
(with your big strong hands)
Sally dances but she don't blow no
(you make me understand)
Sally prances but she don't grow
(I can tell the sun)
Sally chances but she don't grow no
She don't know no no
