It's time to sink or swim
You called and i'm home again
So come on and let me know
Is there someplace that we can go?

This time might be the last
So don't talk about the past
We all make the same mistakes
We all had a choice to make

So tell me i'm wrong and tell me you've had enough
Well ok - i think i've got it straight
Tell me how crazy and out of control
You take it all so hard
You take it all so hard
You take it all so hard

It's time to sink or swim
The way that you learn again
So come on and let me know
Is there some place that we can go?

So tell me i'm wrong and tell me you've had enough
Well ok - i think i've got it straight
Tell me how crazy and out of control
You take it all so hard
You take it all so hard
You take it all so hard
