Everybody's got a version of the truth  
It seems like my version of love's been with you  
Everytime I'm hurting and bruised  
I even got that God damned tattoo

No matter what I do  
I'm right back at you  
And I lose

I don't wanna fuss and fight tonight  
I just wanna cry my less cry to you boy  
I don't wanna rewrite history  
I just wanna set the past free  
Oh, oh  
Oh, woah  
I don't want to love another lie  
It's time I give another guy a try  
Goodbye  
Goodbye

I walk around tattered in two  
(Walk around tattered in two)  
'Cause every single arrow pierces right through  
I thought love could heal all wounds  
(Heal all wounds)  
But you disproved me when you chose the boose  
No matter what I do  
I'm right back at you  
And I lose

I don't wanna fuss and fight tonight  
I just wanna cry my less cry to you boy  
I don't wanna rewrite history  
I just wanna set the past free  
Oh, oh  
Oh, woah  
I don't want to love another lie  
It's time I give another guy a try  
Goodbye

I don't regret a single descision

(Descision)

I told myself each time would be different  
It's time I hit eject  
Move onto the next  
And see what's missing

I don't wanna fuss and fight tonight  
I don't wanna love another lie, oh woah, boy  
I don't wanna rewrite history  
I just wanna set the past free  
Oh, oh  
Oh, woah  
I don't want to love another lie  
It's time I give another guy a try  
Goodbye  
Goodbye  
Goodbye
